10:00 – 18:00hrs
Magazino Hall, Valletta Waterfront

Let's talk about nice things!
Handmade, low impact, local, fair and reusable.
The nice things we all want.

We're back with our biggest market of the year!

With over 50 stalls showcasing the local artists and makers this edition of the market will focus on crafts and will highlight homewares, art prints, stationery, jewellery, accessories and artisanal foods among other categories of handmade or local products.

Venue: Magazino Hall, Valletta Waterfront

The 2024 Christmas Edition of the market will take place at the Magazino Hall, in the Valletta Waterfront area.

Situated just below the famous Valletta bastions, the Magazino Hall was built in 1727 as part of the original building where vats stored oil for street lamps and was later incorporated within the island's first power house.

The venue offers an ample indoor space with an impressive arched ceiling and the indigenous yellow limestone. Adjoining 130 square meter outdoor courtyard means that this edition of NTM will have a bar, a cafe and a dedicated area for food trucks.
